

## A FULL ARRAY OF SERVICES

**WE MASTER ALL THE STAGES FOR COMPLETING YOUR PROJECTS.**

1. Factory auditing
2. Price negotiation
3. New product development
4. Sample validation
5. Batch production quality control
6. Order management and shipment organisation
7. Trip organisation for factory visits in China for your staff

## OVER 12 YEARS OF EXPERIENCE

**THE DEDICATION THAT MAKES THE DIFFERENCE.**

We are dedicated to the projects we undertake, and work in close collaboration with our clients and the factories.

Throughout the years, we have established long-term relationships with factories for all primary manufacturing processes. By choosing us, you benefit from a strong network of highly competent suppliers already in place. And we are constantly expanding it!

At your request, we will be able to conduct sourcing missions, within a short time, to find the supplier that best suits your requirements.
